Bedlington Community
Centre, 60 W End Front St,
Bedlington NE22 5TT

We're delighted to share our proposals for a brand-new 19,000 sq. ft retail store and Drive Thru. Phase 3 in revitalising Bedlington Town Centre. This phase will create new jobs, attract further investment, and give local people more retail choice without needing to travel out of town.

Come along to view the proposals, ask questions, and share your thoughts. You can also view everything online if you can't make it in person.

Advance Northumberland is preparing planning applications for submission by the end of the year, building on the outline permission secured in 2018.

Your feedback matters, we'd love to hear what you think about this latest phase of development
