On Thursday 13th February at 6.30pm.**

PRESENTATIONS

- None scheduled for the meeting.

QUESTIONS TO THE COUNCIL

- A resident wanted to know why the proposed defibrillator (Bedlington Police Station wall) was going to be funded by the Town Council. The Chair informed the member of the public that this was a community defibrillator, not for Police use only, and that's why the funding will be from West Bedlington Town Council with the Police paying for its ongoing electricity supply.
- A resident was disappointed that the Willow Vale polling station had moved, but was informed that this is not a Town Council responsibility.
- A resident mentioned that there was no safe pedestrian path where the new cycleway is being constructed. The Chair, in her capacity as a county councillor, was told the plan was to create mini zebra crossings along the path for pedestrians.
